

# JUST SOLD!

## Westchase Professional Center

11031-11033 Countryway Blvd.

Tampa, FL 33626

*"We were looking to sell our existing medical office building in Westchase. The communication, recommendations and updates were always available from Equity Team to achieve the sale of this property. Equity found us a buyer, helped us with existing lease renewals and negotiations, and aided us through all of the hurdles to make this deal a reality. We would recommend the Equity Team to others."*
